The school leaders make plans to build a school on the property generously donated to the school by Dick and Murlane Meyer. The property was called "The Farm" and hosted various events for the school. The school needed to look for more space!

The Pumpkin Harvest Party occurred at the Farm from 1:00 until dusk. Below is the "Pumpkin Express"

Fr. Joseph came all of the way from Vellamadam, India and visited students at Holy Family School. Fr. Joseph runs the St. Joseph Social Welfare Center. During a special Mass, he shared information about the 100 children who live in the orphanage there and sleep on the floor. He reminded the students that they are very fortunate to live in America.
