The mission of the Holy Family Association:

The Holy Family Association's mission is to bring to fruition Jesus' prayer for Unity at the Last Supper. By providing Catholic education to people of all ages through a K-8 grade school and other programs founded on Jesus, His teachings, and His way of life, Holy Family aids each person in developing his/her God-given talents. Holy Family supports parents in their roles as primary educators.

Holy Family School..quality Catholic education

Quality education in the Catholic tradition is now available locally for your child! Founded in 1995 to provide an opportunity for Catholic education on the greater Peninsula, Holy Family School is currently accepting students in kindergarten through grade 4 for the 1996-97 school year. Immediate openings are available for qualified applicants. Holy Family is committed to grow with each new year and will add classes until it is a kindergarten through grade 8 school. We invite you now to share in this ministry of building Church and family.

We offer children:

• Quality education in a safe and loving environment
